www.in2skills.co.uk

Get **in2** security

L1 Customer Service, L2 Team Leading, L1 Personal Wellbeing at Work—with support to gain up to L2 English and Maths, if needed. 70-100hr work placement with Titanium Security, where you will gain CCTV badge, Door Supervisor badge, and First Aid qualification, with work experience.

Complete all qualifications & we will fund the badges (worth £765 each).

Potential jobs are available on completion of this 8-10 wk course.

SIA-endorsed course

The L2 Award for Working as a Door Supervisor within the Private Security Industry is a required qualification to become a licensed operative. Having this qualification enables you to apply for work in this sector.

Tailored training

Customer services skills to improve communication
Team leading skills to learn how to lead others
Boost your awareness of mental health
Employability training

Investing in you

For every learner who completes the required certificates, we will fund industry badges – at a value of £765 per person.
On completion we will put learners forward for job opportunities.

You will need access to a reliable internet connection and suitable device
